

#### Code of Ethics in Effect at ADAMS Sp. z o.o. as of 30-03-2023

#### **Preamble**

ADAMS Sp. z o.o. conducts its business responsibly and based on mutual trust toward clients, employees, and business partners.

ADAMS Sp. z o.o. aims to be perceived as a partner who communicates its values and principles of conduct openly and accurately.

The approach and manner of operation presented by ADAMS Sp. z o.o. are regulated in this Code, particularly regarding the behavior of ADAMS Sp. z o.o. employees and the manner of building relationships with its surrounding environment.

ADAMS Sp. z o.o. treats the provisions of the Code as a commitment, which it implements in its daily activities, specifically by:

- I. Expecting employees to act in accordance with the Code, regardless of their position, length of service, type of contract, employment terms, and scope of responsibilities;
- II. Making the Code available to all its partners, especially clients, suppliers, and other contractors, with the conviction that the principles outlined in the Code, which guide ADAMS Sp. z o.o., will be fully respected by them.

#### § 1 Values Recognized by ADAMS Sp. z o.o.

[1] The values mentioned in this section form the foundation of ADAMS Sp. z o.o.'s operations, underpinning its development, organizational culture, and ethical dimension.

[2] In its activities, ADAMS Sp. z o.o. upholds the following values:

- Frugality responsibly managing both tangible and intangible assets.
- Professionalism in managing ADAMS Sp. z o.o., setting high operational standards, and developing control systems to effectively execute its business strategy, fully utilizing the expertise and competencies of its staff.
- Collaboration by focusing on reaching agreements, building trust, and achieving common goals with ADAMS employees, clients, and partners.
- Respect avoiding actions or omissions that infringe on another's dignity or lead to discriminatory treatment based on nationality, race, gender, age, disability, religion, political views, or sexual orientation.
- Transparency maintaining open communication and justifying decisions across all areas
  of activity at ADAMS Sp. z o.o., except where trade secrets, personal data, or other
  protected information are involved.
- Responsibility conducting business according to principles of sustainable development and social responsibility, particularly by minimizing negative environmental impacts.

### § 2 Law-Adherence Approach

- [1] ADAMS Sp. z o.o. complies with national laws, EU regulations, and international laws across all areas of its business.
- [2] ADAMS Sp. z o.o. also adheres to industry regulations applicable to its operations.

## § 3 Client-Oriented Approach

[1] Clients are among the key business partners with whom ADAMS Sp. z o.o. creates value.

#### [2] ADAMS Sp. z o.o.:

- aligns its business objectives with clients' goals, particularly by ensuring all employees prioritize each client's well-being;
- operates in line with client expectations regarding products, services, service quality, and their objectives;
- adapts to continuously changing market conditions to maintain partnerships and strengthen client trust;
- keeps its word in commercial relations;
- provides clients with products and services that meet the highest quality standards;
- Responds to clients' needs, adjusting offerings to support them in addressing business challenges;
- provides complete, accurate, and factual information about products and services, barring trade secrets or legally protected data;
- ensures efficient and timely client service;
- resolves complaints and issues in good faith, keeping clients' interests in mind, while identifying and addressing problem causes to prevent recurrence.

#### § 4 Supplier-Based Approach

[1] ADAMS Sp. z o.o. recognizes the importance of maintaining high standards for products and services provided to clients.

## [2] Considering this, ADAMS Sp. z o.o.:

- complies with applicable laws, internal regulations, social and environmental standards when selecting suppliers, bearing in mind client expectations;
- ensures utmost care in protecting information shared by suppliers and other partners;
- assesses suppliers solely on substantive and business grounds and provides feedback in good faith;
- maintains an open, collaborative attitude;
- seeks solutions in conflicts that respect the legitimate interests of all parties.

#### § 5 Environment-Oriented Approach

[1] ADAMS Sp. z o.o. cares for the natural environment as a commitment to clients, employees, local communities, and future generations.

[2] In its activities, ADAMS Sp. z o.o.:

- complies with environmental protection laws;
- develops and enhances an environmental management system;
- analyzes environmental risks and, when necessary, takes preventive actions;
- avoids discharging harmful substances into water and soil;
- maintains minimal emissions within allowable standards:
- practices rational resource management in production;
- implements eco-friendly technological solutions;
- strives to minimize waste generation;
- ensures environmental care at the workplace;
- raises employee awareness of environmental impact;
- protects nearby land and natural animal habitats.

#### § 6 Trust-Based Approach

[1] Privacy, confidentiality, and business secrecy are central to ADAMS Sp. z o.o.'s operations.

- [2] ADAMS Sp. z o.o. processes information about employees, clients, suppliers, and other partners only to the extent necessary for collaboration.
- [3] ADAMS Sp. z o.o. protects privacy and confidential information by:
  - complying with privacy protection regulations and principles for employees and partners;
  - sharing confidential information only with authorized individuals;
  - promptly reporting observed weaknesses in confidentiality protection systems;
  - securing any accessed data if obtained accidentally or through employee error.

## § 7 Conflict of Interest Elimination Approach

- [1] ADAMS Sp. z o.o. respects employees' rights to make independent personal, financial, or political decisions but does not accept employee actions that benefit themselves or another person/entity with familial or business ties if they harm ADAMS Sp. z o.o.'s interests.
- [2] Each employee is obliged to act in ADAMS Sp. z o.o.'s best interests, with corruption in any form strictly prohibited.

#### § 8 Safety-Based Approach

- [1] ADAMS Sp. z o.o. prioritizes employee safety by enhancing workplace safety through technology, employee training, best safety practices, and safety monitoring.
- [2] Ensuring health and safety in the workplace, ADAMS Sp. z o.o.:
  - complies with established health and safety standards;
  - provides access to clean restrooms, drinking water, and hygienic dining areas;
  - follows safety procedures in hazardous situations;
  - ensures the safety of third parties at work premises;
  - reports observed health and safety risks.

# § 9 Employment Protection Approach

- [1] ADAMS Sp. z o.o. prohibits forced, slave, prison, or child labor.
- [2] ADAMS Sp. z o.o. ensures a workplace free of hostile or inhumane treatment, such as discrimination, sexual harassment, physical punishment, psychological pressure, or verbal abuse.
- [3] Fair, regular wages comply with national norms, meeting basic needs and discretionary income without unauthorized deductions.
- [4] Employees receive understandable wage component information.
- [5] No deposits or identity documents are required from employees.
- [6] Disciplinary actions respect national law and human rights, prohibiting unjustified actions, like withholding wages or benefits, confiscating documents, or confining employees.
- [7] Work hours comply with legal limits and statutory rest days are honored.
- [8] Employment termination rights, including contract termination and freedom of movement, are respected.
- [9] ADAMS Sp. z o.o. guarantees employees' right to association.

# § 10 Dissemination of Code Principles

- [1] All ADAMS Sp. z o.o. employees are obligated to familiarize themselves with and comply with the Code.
- [2] The ADAMS Sp. z o.o. Management Board oversees Code implementation and problem resolution.
- [3] Employees, clients, and suppliers may request clarifications if Code provisions are unclear or suggest revisions.
- [4] Employees must adhere to the Code and report violations using ADAMS Sp. z o.o.'s established complaint and suggestion procedures. All reported ethical violations will be handled with due care.
- [5] Employees violating the Code may face consequences under the Work Regulations, Labor Code, and other regulations.
- [6] The Code is available to employees, clients, and suppliers upon request.
- [7] The Code becomes effective upon Management Board approval, replacing the previous version dated 17 June 2021.
